  - If you're on a regularly scheduled day off, holiday, vacation day, jury duty, funeral leave, or personal time off, you're still considered actively at work, as long as you're fulfilling your regular duties and were working the day immediately prior to your time off.
  - You must enroll within 31 days of being eligible. If you don't, you'll need to provide health information for us to review for approval, or if you have a qualifying event.
- If you're covered, you may buy coverage for your dependents, if they're not confined at home, in a hospital or skilled nursing facility (this is referred to as Period of Limited Activity).

Additional eligibility requirements may apply.

#### Do I need to provide health information?

Benefit amounts over the guaranteed issue shown in the table above for you and your spouse will require health information.

#### May I increase my benefit later?

- If you have a qualifying life event (marriage, birth of a child, etc.), you may enroll or increase coverage up to the guaranteed issue amount within 31 days without having to provide health information.
