- Employees who have completed more than 90 days of employment will receive their annual clothing allowance gift card code yearly during the first few weeks of January from a member of the Communications Team.

- The clothing allowance is provided annually and unused balances do not carry over into the following year.
- No login is required to access the company store. Employees may simply use the provided store link to browse and place orders.
- To apply the clothing allowance during checkout, employees should enter their gift card code in the "Coupon or Gift Card" field located in the Order Summary section of the checkout page and select "Apply."
- Prices listed in the company store include shipping and logo/art decoration costs but not tax.
