

Short-term Disability Insurance

Protect your paycheck when you can't work.

Many medical conditions can keep you out of work. Short-term disability insurance helps you meet your financial obligations while you're recovering from an injury, illness, surgery, or childbirth.

AT A GLANCE:

- A cash benefit of 60% of your weekly salary (up to \$1,500) when you are out of work for up to 11 weeks due to injury, illness, surgery, or recovery from childbirth
- A partial cash benefit if you can only do part of your job or work part time
- A prompt, responsive claims process

ADDITIONAL DETAILS

Sickness Elimination Period: You must be out of work for 14 days due to an illness before you can collect disability benefits. You can begin collecting benefits on day 15.

Accident Elimination Period: You must be out of work for 14 days due to an accidental injury before you can collect disability benefits. You can begin collecting benefits on day 15.

Benefits Integration: Your short-term disability benefits can coordinate with income from other sources, such as continued income or sick pay from your employer, during your disability. This allows you to receive up to 100% of your pre-disability income.
