

OMAHA TRACK'S

Superior, Wisconsin

TERMINAL

Omaha Track's Superior terminal features a state-of-the-art grinding operation that specializes in processing railroad ties and other rail materials into high-quality chips for use in co-generation fuel. This Superior facility is dedicated to providing environmentally sustainable and cost-effective biomass production solutions.

Location Highlights

- 30 acre rail-served site
- On site truck scale
- Capacity to process 4 million+ ties per year
- Premium rail access with service by the Canadian National, CPKC Railway, BNSF Railway, and Union Pacific
- Local and wholesale material sales – ties, steel, and OTM
- Centrally located to serve upper Midwest markets, including Minneapolis

Hours of Operation

- M-TH: 8 a.m. - 2:30 p.m., Central Time

Address

- 3185 County Road A, Superior, WI 54880

Facility Manager
