

# Omaha, Nebraska - WECO

TERMINAL

The WECO terminal in Omaha is a premier provider of switching and transloading services to the metropolitan area. With extensive ties to the nationwide rail network, and state-of-the-art rail, ties, OTM and plug rails, WECO is equipped to handle all of your transportation needs. This facility features ample railcar storage and is fully equipped to handle transloading of a wide range of materials. Our comprehensive maintenance of way (MOW) and construction equipment, combined with our truck and rail scales, make us a one-stop-shop for all your logistics needs.

## Location Highlights

- 20 acres of Omaha Track owned site
- Customized solutions for transloading, storage and cleaning
